

DNREC/Division of Air Quality

LEGAL NOTICE

The Secretary of the Department of Natural Resources and Environmental Control has signed Secretary's Order No. 2010-A-0029, amending Regulation 1138 – EMISSION STANDARDS FOR HAZARDOUS AIR POLLUTANTS FOR SOURCE CATEGORIES. This amendment, which adds Section 15, makes Delaware's Regulation 1138 consistent, where appropriate, with applicable motor vehicle or mobile equipment surface coating operations requirements in a recently issued federal standard (40 CFR Part 63 Subpart HHHHHH). The purpose of the amendment was to reduce the emissions of cadmium, chromium, lead, manganese, and nickel compounds from area source motor vehicle or mobile equipment surface coating operations that spray apply coating that contain these five metallic compounds. The effective date of Section 15 of Regulation 1138 is October 11, 2010.

Final Section 15, the Secretary's Order, and the Department's public hearing materials are available for public inspection at the Department of Natural Resources and Environmental Control's offices at Blue Hen Corporate Center, 655 S. Bay Road, Suite 5N, Dover and at 715 Grantham Lane, New Castle. This information can also be obtained from the Department's regulatory website <http://www.awm.delaware.gov/Info/Regs/Pages/Section15.aspx>. For additional information, please contact Jim Snead, in New Castle, at (302) 323-4542.
